4. Jubilee Hall Wall

Agreed that we will not proceed with Kenny Allen. An alternative quote from Charlie Priest is £600 dearer. An alternative quote to be obtained from Gordon Aitchison Contracts, Dumbarton. Elaine also asked that a drainage be put in on the ramp to the emergency exit of the jubilee hall.

5. Insulation

Elaine will ask her husband to investigate the wall to see what material should be used, in the next two or three days.

6. Hot water management

As 'users' need to be economical with electricity Aileen will make a notice to remind them to turn off the immersion switch.

7. Facebook

Lorraine will speak with Alison, Aileen and Elaine regarding the use of Facebook. She has good ideas to encourage interest in the halls and units from parents and the girls.

8. Fundraiser - Sponsored swim

Decided not to proceed with a sponsored swim. However, fund raising is needed and suggestions include a sponsored walk during meeting times. and possibly the girls could make items to be sold at a Christmas Fair. Possible dates are 18th November or 2nd December, and to be checked with Alison at a meeting on 6th October.

9. Committee members from each unit

It is desirable that parents join the committee but accepted that we cannot force this.

10. AOCB

An approach has been received from the Yoga tenant for a cupboard to store equipment. It was agreed and MM would speak to her on Monday 18th September or later in the week. There has been a request to obtain a freezer to replace the old one and MM to investigate.
